TO WHOM IT MAY CONCERN

Gregory Poynton has had a fourteen year association with Penleigh and Essendon Grammar School. During this time he has been actively involved in many different facets of the School and has done well to co-ordinate his many activities.

Greg successfully completed Year Eleven in 1988 and in 1989 continued his studies for his Victorian Certificate of Education in the following subjects: English, Accounting, Economics, Legal Studies and Politics. Greg approached his studies and in particular the demanding V.C.E. year, in a mature and well organised fashion.

Greg has a particular interest and aptitude in music and participated in the school's music and choral programs before his Young Talent Time commitments became too time consuming. While at the school Greg also made valued contributions to sport and represented the school in both hockey and swimming. In addition to these school activities Greg is a member of music and sporting clubs outside the school.

Greg has a friendly, outgoing personality. He gets on well with his peers and is always well mannered and co-operative with the staff. He is an honest and reliable person who has the determination and the ability to succeed in the career of his choice. I wish him every success in the future.

Rae Pierce (Mrs),
PRINCIPAL.
